**Notice**

\*\*\*\*\* These numbers are strictly for the purpose of establishing an **estimated** return and do vary from shed to shed.

\*\*\*\*\* For details on the variables used in the matrix e-mail [marketing@unitedpotato.com](mailto:marketing@unitedpotato.com)

**Returns in yellow grid are based on advisory price for closest weight. Your returns may be less if price advisory is not being met by your sales organization**

Please note that as of 8-18-08 we are trying to make the spread between 10lb poly and 5 lb poly a 1.00 upcharge instead of .75. Also the spread from 10 lb poly to 10 lb mesh is 1.00 instead of .50 cents

RECOMMENDED UP CHARGE FOR 5-9 AND SIZE A CONSUMERS

5-9 \$ 1.50 PER UNIT

SIZE A \$ 0.75 PER UNIT

Container add-on costs ie. Carton balers add .40 per bale; pallet charges .15 per case/bale
